CELLARS

January Wine

2014 Dry Riesling

Intense flavors of apricot, melon and lime zest give this quintessentially cool climate white a bright and refreshing presence on the palate. Hints of petrol on the nose pay homage to classic Riesling style and truly set this Noble grape of Michigan apart.

2014 "The Project" Pinot Blanc

Born out of an opportunity to collaborate, The Project Pinot Blanc represents the realization of our vision to work with growers and producers outside our own region in the constant quest to push boundaries and provide our guests and friends with special and distinct products. This, dry full bodied white provides lush notes of tropical fruit with hints of butter and oak on the finish.

2013 Pinot Noir

We were pleased to let this wine age in oak for 16 months, which is seen in the lush and soft mouthfeel. Our Pinot Noir delivers flavors and aromas of black cherry, raspberry, pomegranate, cocoa, cola, black tea, orange peel, brown baking spice and a hint of smokiness.

2013 Cabernet Franc

A beautifully rich varietal, cool climate Cabernet Franc expresses itself with notes of chocolate and cedar and subtle hints of minerality and smoke. This full bodied red carries a lush smooth texture and finishes soft and lasting.

All-inclusive club receives 1 bottle each Dry Riesling and Cabernet Franc and 2 bottles each Pinot Blanc and Pinot noir

Reds only receives 3 bottles each red

Whites and Rosé receives 3 bottles each white
