### April Wine Selection

---

#### **2012 Cabernet Franc**

*Rich and lush with deep notes of blackberry and black cherry balanced against subtle characters of earth, spice and cedar. 2012 brought with it a long warm growing season optimal for ripening red varieties and setting a benchmark in recent history for fruit and wine quality. This release comes from the Library collection at Shady Lane Cellars exclusively for our Club Discover members.*

#### **2014 Pinot Noir Rosé**

*Our Pinot Noir Rose' is a new world wine, made in old world style. The pink juice was fermented in barrel (20%) and stainless steel (80%). The barrel fermented lot added texture, mouthfeel and notes of vanilla and smoke. This wine brings ripe strawberry, fresh orange peel, notes of vanilla and smoke that close with a touch of minerality.*

#### **2014 Hennessy Harbor White**

*Hennessy Vineyard is both beautiful and bountiful. An long southerly slope drenches the vines in sunlight all season long. As our sister site, just west of the estate vineyard on the other side of Lake Leelanau, Hennessy Vineyard pays homage to owner Richard Fortunes mother and her love of the Leelanau Peninsula. This blend of Pinot Gris, Grüner Veltliner and Chardonnay is delicate and light with a soft round finish and just a hint of oak.*

#### **NV Coop de Rouge**

*Our winemaker searches for just the right components that make Coop de Rouge the perfect everyday red wine. This non-vintage Merlot and Syrah blend is the true result of the winemaker's cellar craft and displays rich dark fruits of plum and black current with hints of dried herbs, leather and coco; balanced with oak.*
