April Wine Selection

2014 "The Project" Viognier

This wine represents the realization of our winemaker's vision to reach beyond our estate vineyard and work in collaboration with exemplary vineyards and wine producers in other select regions and to showcase styles and varieties distinct and different than our Shady Lane Cellars Estate wines. The Viognier spent time in both stainless steel and oak barrels where it finished completely dry. The wine exhibits notes of apricot, honey dew and white flowers. It finishes with subtle vanilla and hints at spice with a full mouth feel.

2014 Pinot Noir Rosé

Our Pinot Noir Rose' is a new world wine, made in old world style. The pink juice was fermented in barrel (20%) and stainless steel (80%). The barrel fermented lot added texture, mouthfeel and notes of vanilla and smoke. This wine brings ripe strawberry, fresh orange peel, notes of vanilla and smoke that close with a touch of minerality.

2014 Blafränkisch

The 2014 Blafränkisch is the latest release of what was formerly known as "Blue Franc". To pay homage and respect to the grape and style we have transitioned to the variety's true name. With just over 12 months in new French oak barrels this wine exhibits hints of blueberry and blackberry balanced against subtle notes of cedar and the floral spice of black pepper.

NV Coop de Rouge

Our winemaker searches for just the right components that make Coop de Rouge the perfect everyday red wine. This no- vintage Merlot and Syrah blend is the true result of the winemaker's cellar craft and displays rich dark fruits of plum and black current with hints of dried herbs, leather and coco; balanced with oak.
