

SHADY LANE
CELLARS

2017 Franc 'n' Franc

43% Cabernet Franc | 43% Blaufränkisch | 14% Merlot. These varieties complement each other seamlessly creating a rich, expressive red that has acidity and structure. The fruit was cold soaked for three days and then fermented in small lots, utilizing different yeast strains. Aging in French oak before the final blend shapes this into a wine that tells a story of quality and craft.
