Alcohol: 11.3%

pH: 3.22

Acidity: 0.85%

Residual Sugar: 2.3%

Cases Produced: 600

Our Sparkling Riesling is an original wine from the early portfolio. The bright aromas and flavors contest to its popularity that has prevailed as a favorite for over 15 years. The fruit is hand harvested the first week of October with respect to balance and acidity. The primary fermentation is focused on capturing expressive aromatics and flavors that Riesling brings so well. The second fermentation is done Charmat method, respecting the fruit while carrying toasty brioche notes on creamy bubbles.
